CANCELLATION OF STEM OR REDUCTION IN QUANTITY IS SUBJECT TO A PENALTY PRICE VALIDITY AS PER LOCAL SUPPLIER STANDARD CONDITIONS.

Any costs, expenses, damages, losses and liabilities incurred or suffered by the Company or Physical Supplier due to delays in supplying the Product ordered or cancellation of the same as a result of the failure of the vessel and/or vessel interests to comply with the application of the ISPS Code, including any measures required by any port facility or relevant authority, will be for the Customer's account. Without prejudice to the generality of the foregoing these costs, expenses, losses and liabilities include, but are not limited to, demurrage and cancellation costs.

IMPORTANT :

Please ensure that master/Agents are instructed to liaise closely with Supplier to arrange final quantities and timings for smooth delivery;

Bunkers are stemmed for the contracted delivery dates above. If a vessel requires bunkers during a time other than the date(s) specified above, such delivery will be on a 'best endeavor' basis. Integr8 Fuels will not be held liable or responsible for any delays, demurrage, or any other additional costs incurred as a result of a 'best endeavor' delivery;

Please ensure that master/vessel's entitled representative witnesses on the Supplier's delivery equipment the drawing by the Supplier of the representative samples of each of the fuels to be supplied and receives and retains a sealed and signed container of each of those samples and the soundings and measurements of quantities before and after delivery.

All supplies at anchorage are subject to suitable weather conditions.

BUNKER ONLY CALLS :

Please note that unless otherwise already notified, all "bunkers only" calls:

are on a "first come – first served "basis";

are subject to suitable weather conditions for safe ship to ship bunker transfer;

In case of offshore bunkering in international waters they are also by definition on a "best endeavor basis".

The final decision on the supply program and suitability of sea and weather conditions rests solely with the Supplier, and no claims for delay/aborted bunkering will be accepted. Other local supply terms and conditions may apply in addition.

We thank you for this order.
